Our modern prefabricated homes are built using efficient yet practical methods to ensure they’re durable and offer residents an excellent quality of life. We also ensure that each home is built to meet the BS3632 housing standards set by the British Standard Institution. With the quality of built and effective management of the homes, they can last a minimum of 25 years - with our latest products lasting up to 60 years. If you want more insight or would like to know more about our Buy-To-Let properties, you can get in touch with us now.
