Marketing Material

# 100% focus on asset management built around your needs

At First Atlantic, we understand no two clients are the same. From working globally with the largest financial institutions to helping families save regularly for a more prosperous future, we manage all scenarios. To do this, our business is structured around 10 strategic capabilities which combine to meet your needs.

## 10 strategic capabilities

---

Our strategic capabilities enable us to improve collaboration across our investment teams to work better for you. It means each team shares knowledge but is still free to innovate, research and invest with conviction.

## Financial strength and independent recognition

---

First Atlantic has a stable ownership structure and a strong balance sheet which gives us the freedom to think differently, and helps us keep our focus on what's best for you.

## Solid foundations

---

Established in 2013, First Atlantic has experience investing through a range of market environments. As a business that's been innovating for many years, we're always ready to adapt and evolve to suit the world we find ourselves in.
